SECTION 4 – APPLICANT STATEMENT & SIGNATURE

I hereby apply for insurance to which I am now or may become entitled under the provisions of the Master Policy issued by the Insurance Company. I authorize my employer to pay premiums and to deduct any required premium contribution from my earnings. I understand that my employer, is being authorized to pay premium, is my agent and not the agent of the Insurance Company, and that my insurance may be terminated if premiums are not paid by my employer as required.

Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement may be found guilty of insurance fraud in a court of law. I understand that my coverage, if approved, and that of my eligible dependents, will be subject to the pre-existing condition and replacement of coverage provisions specified in the Master Policy. I understand that, subject to the replacement of coverage provisions of the Master Policy, I may not be eligible for coverage if I am currently totally disabled.

I authorize any physician, medical practitioner, hospital, other medical related facility, insurance company, consumer reporting agency or employer having information available regarding me or my dependents as to employment, other insurance coverage, diagnosis, prognosis, medical treatment or care pertaining to any physical or mental condition including alcohol or drug dependency, to release such information to the Insurance Company or their legal representative, agent or vendor and that I am entitled to a copy of the investigative consumer report. I know that I may request a copy of this authorization. I agree that a photocopy of this authorization shall be as valid as the original. I agree that this authorization shall be valid until withdrawn by me in writing.

I understand that if I am not applying for dependent coverage due to reasons other than my dependents having qualifying existing coverage there are two important consequences: The effective date of coverage may be delayed or the period during which pre-existing conditions will not be covered may be extended for my dependents, as described in the Late Applicant Eligibility, Effective Dates and Pre-Existing Conditions Limitations provision set forth in the Master Policy. As a result, I waive all claim benefits payable for my dependents. Further, I understand that in order for my dependents to be covered under this Plan in the future, I may be required to furnish satisfactory evidence of insurability at my expense, and all provisions applicable to a dependent will apply.
