**10 NOTICE:** You are considered a Timely Enrollee if your application is received by the Plan within 31 days of your eligibility period (when any group initially enrolls or as a new hire upon completion of a waiting period, if any, as specified in the group contract). If you are declining enrollment for your spouse or your dependent(s) because of other health insurance coverage, you may in the future be able to enroll your spouse or your dependent(s) in this plan provided you request Special enrollment within 31 days after the other coverage ends. Qualifying events for this Special enrollment include termination of employment, reduction of work hours, legal separation, divorce, death, employer contributions toward the other coverage have terminated, or C.O.B.R.A. or state continuation of coverage has been exhausted. If you have a new dependent as a result of marriage, birth, adoption or placement of adoption, you may be able to enroll yourself, your spouse, and your dependent(s), provided you request Special enrollment within 31 days of the event and provide documentation showing the date of the event. If you do not enroll upon the initial offering of this coverage (Timely Enrollee) or do not enroll as a Special Enrollee, you, your spouse and/or your dependent(s) may apply during the Open Enrollment period (31 days prior to your group's renewal date) as a Late Enrollee.

- There is a Preexisting Condition limitation on the coverage available from the Plan (except BlueLincs HMO coverage). A Preexisting Condition is a condition (whether physical or mental), regardless of the cause of the condition, for which medical advice, diagnosis, care or treatment was recommended or received within the six-month period ending on the enrollment date. A Preexisting Condition will not apply to pregnancy or to a newborn or adopted child under age 18, provided the child becomes covered under the Contract/Agreement within 31 days of birth or adoption. The length of the Preexisting Condition limitation period is 12 months after the enrollment date for Timely and Special Enrollees, and 18 months for Late Enrollees. The Preexisting Condition limitation waiting period may be reduced by the number of days you (and/or your spouse, and/or dependents) were covered under a prior health insurance plan(s) should there be no more than a 63-day break in coverage, excluding your waiting period, if any. To do this you may request a Certificate of Coverage form from the prior health plan(s) or issuer and send it to our Enrollment Services department. After the amount of prior creditable coverage has been determined, we will notify you of Preexisting Condition credit based on your prior coverage. Please attach your Certificate of Coverage, if you currently have one.
